Dear Dr. Warr,

We are pleased to inform you that you have been selected by a vote of your peers to be included in *Hour Detroit* magazine's 2009 list of *Top Dentists*. The list will appear in the July 2009 issue of *Hour Detroit* and online at www.HourDetroit.com.

Hour Detroit's Top Dentists list is based on a peer-review survey mailed to over 5,000 Dentists and Specialists in metropolitan Detroit. Thousands of votes were cast honoring excellence in all fields of dentistry. Because listings cannot be purchased (and no payment is required to be listed), inclusion in *Hour Detroit's Top Dentists* is a singular honor.

Again, congratulations on being honored by your peers.

Sincerely,

John Balardo

DETROIT

JULY 2008

DETROIT'S TOP DENTISTS

This list is excerpted from the inaugural topDentists list, a database that includes listings for more than 400 dentists and specialists in the Detroit area. The Detroit-area list was based on thousands of detailed evaluations of dentists and professionals by their peers.

"If you had a patient in need of a dentist, which dentist would you refer them to?"

This is the question we've asked thousands of dentists to help us determine who the topDentists should be. Dentists and specialists are asked to take into consideration years of experience, continuing education, manner with patients, use of new techniques, and, of course, physical results.

Dear Dr. Warr:

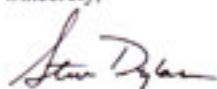

We are pleased to inform you that you have been selected by a vote of your peers to be included in the inaugural list of *topDentists*™. The listings from the Detroit area will appear online immediately at www.usatopdentists.com and will also appear in the July issue of *HOUR Detroit*.

Because *topDentists* is based on an exhaustive peer-review survey in which hundreds of dentists and specialists throughout the Detroit area cast thousands of "votes" on the abilities of other dentists and specialists, and because listings cannot be purchased (and no payment is required to be listed), inclusion in *topDentists* is considered a singular honor.

With over twenty years in combined experience putting together peer-review referral guides in the legal, dental and medical fields, we have been able to use our experience along with the input of dentists across the United States to create a methodology that has been refined and improved over previous superlative guides.

Again, our congratulations on being honored by your peers.

Sincerely,

CEO
